References:

With the registration you commit yourself to rent the apartment and instruct the management to prepare a written rental contract and to prepare the handover of the apartment. The tenancy agreements correspond to the usual forms of the Swiss and cantonal house owner's association. However, the owner or the management reserves the right to assign the flats to another party, but will report to the prospective tenant as soon as possible. If the tenant(s) withdraw from this rental agreement registration after the management has given its approval; a contribution towards expenses of CHF 250.00 will be charged (acknowledgement of debt by signing this form!). After signing the detailed rental agreement, the notice periods and dates of termination listed there apply in any case!
